

Dear Colleagues,

with this message, we would like to remind you about the 29th Meeting of European and Japanese Molecular Liquid Group, entitled “ New outlook on molecular liquids: from short scale to long scale dynamics” which will be held in Warsaw, Poland, September 11-15, 2011.

The conference website : <http://femto.chem.uw.edu.pl/official/emlg>

Enclosed please find the second circular of the conference.

The deadlines:

Abstract submission	15th April
Confirmation of acceptance	15th May
Registration with discount	15th June
Cancellation (80% refund)	15th July
Program	15th August

We invite you to submit contributions since the deadline for abstract submission is coming soon. Contributions must be submitted through the conference webpage.

The organizers will try (but cannot promise) to get some support for participants from the former Soviet Union countries. The persons who are interested should contact us soon, including the abstract of the planned presentation.

Looking forward to welcome you in Warsaw.  
your sincerely

prof. dr hab. Wojciech Gadomski

Chair of the Organizing Committee  
of the EMLG/JMLG 2011 Meeting
