

Location

CARTAGENA DE INDIAS

Cartagena is located on the shores of the Caribbean Sea, in the northwestern part of the South American continent. The city has several archipelagos and islands around. Cartagena de Indias is famous for, bringing together the charm of colonial architecture and lush landscapes.

Topics to be covered, but not only limited to:

- Solution thermodynamics
- Electrochemical processes in solution
- Ionic liquids
- Biochemical processes in solution
- Solubility phenomena and phase equilibria
- Solution structures and dynamics
- Supercritical fluids and solutions under extreme conditions
- Colloids and interfaces
- Computational solution chemistry
- General solution chemistry
- Supramolecular chemistry and solvation
- Industrial applications of solution chemistry.

Correspondence

General Secretaries
Dra. Valeria Eslava Ruiz and Dra. Diana Madelen Galindres

Detailed Information
<https://evento.uniandes.edu.co/es/37th-icsc-cartagena>

International steering committee

- Prof. T. Yamaguchi (Fukuoka, Japan, Chairman)
- Prof. G. Hefter (Murdoch, Australia)
- Prof. I. Nezbeda (Pragu, Czech Republic)
- Prof. Jalel Mhalla (Monastir, Tunisia)
- Prof. P. Sipos (Szeged, Hungary)
- Dr. Y. Q. Zhou (Xining, China)
- Prof. Edgar Vargas (Bogotá, Colombia)
- Prof. Bešter Rogoš (Slovenia)
- Prof. B. Gill* (Leeds, UK)
- *Honorary Members

WELCOME!

Welcome to all, scientists, researchers, students and colleagues to the 37th ICSC held for the first time in Latin America in Cartagena on July 25-29, 2022. We are honored to be able to invite you from Colombia since that is in scientific development in the past years with aims to develop technology and innovation towards the wellbeing of the society. We are happy to contribute and discuss new discoveries in solution chemistry, for this reason we want to invite you all to participate in this conference to meet and share your contributions, discoveries, methods and ideas to spread knowledge and guide the new generations in the field and in its applications to help and improve society.

Contributions

ABSTRACTS

- Abstract submissions close: June 15, 2022
- Sample and template of abstract: [abstract.doc](#). The use of this template is mandatory.
- Extended papers can be published in Journal of Solution Chemistry.
- Oral communications and poster presentations will be selected by the organizing committee based on the content of their abstract.
- The acceptance of abstract and type of presentation (oral or poster) will be communicated to the authors two weeks after submission.
- In case the presenter does not pay the registration fee by July 5, 2022, the abstract will be withdrawn from the program.

PLENARY SPEAKERS

The presentations will consist in 40 minutes of presentation followed by 5 additional minutes reserved for questions.

KEYNOTE SPEAKERS

The presentations will consist in 25 minutes of presentation followed by 5 additional minutes reserved for questions.

ORAL PRESENTATIONS

The presentations will consist in 15 minutes of presentation followed by 5 additional minutes reserved for questions.

POSTERS

Posters should be presented in A0 portrait format (84.1 cm width x 118.9 cm height)

Registration

EARLY REGISTRATION

Until June 5, 2022

- Academic participant US 500.00
- Student US 350.00
- Accompanying person US 200.00
- Academic participant US 550.00
- Student US 400.00
- Accompanying person US 200.00

LATE REGISTRATION:

June 6 – July 5, 2022

CONFERENCE REGISTRATION INCLUDES:

- Conference material.
- Excursion to The National Aviary in Cartagena.
- Conference Dinner
- Attendance to all sessions
- Tea/coffee & lunch

37th International Conference on Solution Chemistry

CARTAGENA DE INDIAS, COLOMBIA

July 25 - 29, 2022.

Conference venue

Radisson Cartagena Ocean Pavilion Hotel
Carrera 9 #22-850, Cartagena, 130002, Colombia
